

House Of Soul Catering, LLC. Is a small family business that has become one of Munhall's most famous eats. From generation to generation our recipes will always remind you of home. All our gourmet meals are cooked from the SOUL of our HEARTS.

For us, that means Sunday dinner, family and the sharing of love and we add a little piece of that in every meal we serve.

Our warm honey cornbread, greens, fried chicken, fish, & candied yams are still some of the favorites on our menu, so come on in and grab a plate!

For more than a decade, our family has been serving home-style cooking and has kept the tradition of southern cuisine alive in our community.

The word has spread pretty fast about all our good home cooking and that's why we are here today.
